Missing ultralight located

A search coordinated by the Australian Maritime Safety Authority's Rescue Coordination Centre - Australia (RCC) has located an ultralight aircraft missing since Monday on a trip between Renmark in South Australia and Hay in New South Wales.

The crashed ultralight and the deceased male pilot were located approximately 37 kilometres West of Hay close to the Sturt Highway.

The matter will now be subject to a coronial investigation by the New South Wales Police. The Australian Transport Safety Bureau and Recreational Aviation Australia have also been notified.
