Exercises (Combined)	All	States/NT		
Marine Pollution Response Awareness Course	0	To be developed	IMO 3	5

- 1 Online learning must be completed prior to attending any of AMSA management courses. This free course is available to anyone. www.amsa.gov.au (Industry Training tab).
- 2 Incident Management Team Course is AMSAs Core and will be offered four times each financial year.
- 3 At this stage Marine Pollution Controllers are encouraged to participate in the Incident Controllers training for familiarisation.
- 4 Many States already have established Finance and Admin courses. This needs to be developed at Commonwealth level.
- 5 Marine Pollution Response Awareness Course is designed for Non-government organisations with an interest or responsibility for marine pollution. The IMO level 3 course is embedded within this course.
