

# ACKNOWLEDGMENTS

The research team from the School of Human Movement Studies at the Queensland University of Technology wish to thank all those who have contributed to the long process of administering the present survey.

Specifically, the research team wish to acknowledge the following organisations for support with the project.

## **Australian Mines and Metals Association (AMMA)**

Mr Peter Hendley

## **Australian Shipowners Association (ASA)**

Mr David Parmeter

## **Maritime Union of Australia (MUA)**

Mr Mick Dolman and his staff in the State branches throughout Australia.

The Queensland MUA branch, Mr Mick Carr (State secretary) and office staff.

## **Organisations representing Queensland coastal pilots**

Australian Reef Pilots

Queensland Coastal Pilot Service

Hydro Pilots (Australia) Pty Ltd

## **Australian Maritime Officers Union (AMOU)**

Mr Peter Curwell and office staff in Sydney.

## **Australian Institute of Marine & Power Engineers (AIMPE)**

Mr Martin Byrne and office staff in Sydney.

## **The Steering Committee**

This group comprised members of unions, employers and AMSA and provided industry specific input into the project.

## **Australian Maritime Safety Authority**

Mr Patrick Quirk who initiated the project, Mr John Hall and Mr David Harrod.

## **Statistical Support**

The research team would like to thank Dr Kevin Balanda, consultant statistician, for his statistical expertise and particular interest in the project.

## **QUT Researchers**

Carole Forrester and Margaret Cook for their contribution to the development of this project.

A special thank you to all those who contributed their time and effort by participating in the study.

The research team is also very grateful to the hundreds of seafarers who telephoned and sent letters to the research office. Your advice and support for the project was greatly appreciated.
