## **Section 9: Engineering (QLD)**

This is not the official version of the Uniform Shipping Laws Code.  
The official version is that last published by the Australian Government Publishing Service,  
Canberra, copies of which can be obtained from the National Marine Safety Committee.

## SECTION 9

### Engineering

Vessels must comply with the requirements contained in the Clauses and Annexes of the *National Standard for Commercial Vessels* (NSCV) Part C Design and Construction, Section 5 Engineering, Subsections [5A](#), [5B](#), [5C](#) and [5D](#) which:

- set out a required outcome;
- set out a deemed-to-satisfy solution for a required outcome; or
- provide guidance as to the interpretation of these applicable clauses.
