Dear John

I am pleased to convey that your application for re-listing in the National Plan Oil Spill Control Agent (OSCA) Register for the product Dasic Slickgone NS Oil Spill Dispersant has been accepted.

Dasic Slickgone EW listing as an Oil Spill Dispersant (subtypes 1.2 water-dilutable concentrate and 1.3 concentrate) oil spill control agent will be updated on the AMSA National Plan website at:

<https://www.amsa.gov.au/marine-environment/pollution-response/register-oil-spill-control-agents>

We also provide the option for a hyperlink from the OSCA Register page to a product website (currently to: <https://enviropacific.com.au/>) which you can maintain or amend. Please respond by email to Georgina Kallis, (georgina.kallis@amsa.gov.au) who I understand you have already been working with during the application process.

Yours sincerely

Jamie Storrie
