[11] Section 12

substitute

12 Interim certificate — form

If the National Regulator decides to issue a certificate of competency, a letter from the National Regulator setting out the details of the certificate of competency is taken to be the certificate until the person to whom the certificate is issued receives it.

Note The purpose of the letter is to allow the person to perform the duties or functions related to the certificate of competency until the person receives the certificate, whether issued in printed form or electronic form (digital).

[12] Paragraph 13(f)

substitute

- (f) the holder must make the certificate available for inspection while on board any vessel on which the holder is performing duties for which the certificate is required.

Note for paragraph (f) The certificate, whether printed or digital, must be accessible while the holder is on board the vessel.
