

# **Uniform Shipping Laws Code 2008**

## **Section 5F: Construction – Structural Fire Protection (SA)**

This is not the official version of the Uniform Shipping Laws Code.  
The official version is that last published by the Australian Government Publishing Service,  
Canberra, copies of which can be obtained from the National Marine Safety Committee.

**SUB-SECTION F**  
**Structural Fire Protection**

Vessels must comply with the requirements contained in the [\*National Standard for Commercial Vessels \(NSCV\) Part C, Design and Construction, Section 4, Fire Safety\*](#) relating to passive fire protection measures.

With the following notes added to Clause 1.1, *Scope*, of the referenced NSCV Part C Section 4:

**NOTES:**

1. NSCV Part C Section 4 includes the requirements to cover both
  - Section 5, *Construction*, Sub-Section F, *Structural Fire Protection*, and
  - Section 11, *Fire Appliances*.
2. Only those parts of NSCV Part C Section 4 covering structural fire protection (passive fire protection measures) are applicable to this Section of the USL Code.
3. Those parts of Part C Section 4 covering fire appliances (active fire protection measures) are not applicable in South Australia.

*(Amendment dated 1 October 2008)*
